

Never Miss Ceiling Paint

Product Attributes

Pink coloured paint that dries to white

Excellent Hiding Power

Pure White Finish

Low Spatter

Dust Resistant

Green Pro Certified
Validates our effort in striving towards cleaner, more sustainable future

Product Description

Berger Never Miss Ceiling White takes the guesswork out of painting. While applying, the paint appears pink in colour so you can see where the paint has been applied; thereafter it dries to a beautiful flat white finish. It has excellent hiding power and provides a uniform white finish to the ceiling.

Recommended Use

Interior ceiling. The paint is not suitable for exterior application.

Brush : 40-50% by volume
Roller : 40-50% by volume

Never Miss Ceiling Paint

Packs

1 L

4 L

Flash Point

Water-based paint,
hence non-flammable

Pot Life of Thinned Material

Use within 24 hours

Surface Preparation

Remove all dirt, loose paint, flakes and dust particles using a wire brush.

Cover fine cracks, holes, dents with putty, and large cracks may need cement work.

Allow sufficient time for the putty / cement work to dry completely.

Primer

Apply 1 coat of BP Cement Primer / Seal-O-Prime suitably diluted and dry it overnight.

Directions for Topcoat Application:

Dilute 1 L of paint with 400-500 ml of potable water

Apply with brush / roller
Allow the paint film to dry for 6 - 8 hours and then apply the 2nd coat.

PRECAUTIONS

- Stir well and strain the diluted paint before use
- Do not apply paint if the ambient temperature is less than or expected to fall below 10° C
- Allow sufficient time for each coat to dry before next coat application
- Keep out of reach of children and foodstuff

HEALTH & SAFETY

- If it is exposed to skin and eyes, wash skin with running water. Wash eyes immediately. If irritation persists, seek medical advice.
- Keep it away from children and foodstuff
