## Usage Areas

Interior Puttied/POP/Wooden surfaces

## Directions for Application

### Surface Preparation:

Strip the old paint and loose articles from the surface and wipe down. Apply one coat of Berger Sealer and allow to dry for 2 hrs. Apply 2 coats of Silk as base coat and allow it to dry for 4 hrs.

### Design Application:

To achieve the perfect finish, apply the product in 3 coats using a steel trowel.

**First coat:** Apply the first coat of Silk GlamArt Stucco in such a way as to perfect smoothness over the surface. Allow to dry for 6-8 hrs.

**Second Coat:** Apply a very fine layer of the product so that the surface is perfectly smooth but has matt finish. Allow to dry for 3 hrs.

**Final Coat:** Apply a thin layer of the product with the trowel randomly in different directions, smoothening it at the same time with the trowel.

Depending on the tool used and the intensity of the application, a matt, satin or gloss finish is achievable.
